2023*Carve Out status in the Prior Authorization Status column identifies Medicaid program covered injectable drugs and biological products that are carved out from Medicaid Health Plan coverage. They will be reimbursed as a fee-for-service benefit for all FFS and MHP enrollees. All require prior authorization according to MDHHS requirements

**Q4186 (Epifix) and Q4187 (Epicord) are reviewed by Blue Cross Complete's Utilization Management Department. Providers should submit prior authorization requests with supporting clinical documentation online through NaviNet or by fax to 1-888-989-0019.

MDHHS fee schedules and additional information can be found by visiting www.michigan.gov/mdhhs

Note: Codes and Medications not included on this document are subject to prior authorization.
 Coverage or inclusion on the member benefit is not guaranteed and is subject to change.
