Blue Cross Complete of Michigan HCPCS Medication Codes Prior Authorization List:

Effective May 1, 2019, a prior authorization for Healthcare Common Procedure Coding System medications will be required before they are covered by Blue Cross Complete. The HCPCS codes are standardized codes to identify products, supplies and services. The HCPCS prior authorization list is available online at mibluccrosscomplete.com.

As a reminder, providers must complete the [Blue Cross Complete Medication Prior Authorization Request form](#) or submit a prior authorization request online mibluccrosscomplete.com using the self-service tab under the provider menu.

We appreciate your continued participation as a Blue Cross Complete provider. If you have any questions, please contact your Blue Cross Complete provider account executive or Blue Cross Complete Provider Inquiry at 1-888-312-5713.
