*Carve Out Status in the Prior Authorization Status column identifies Medicaid program covered injectable drugs and biological products that are carved out from MedicaidHealth Plan coverage. They will be reimbursed as a fee-for-service for all FFS and MHP enrollees. All required prior authorization according to MDHHA

MDHHS fee schedules and additional information can be found by visiting www.michigan.gov/mdhhs

Note: Codes and Medications not included on this document are subject to prior authorization. Coverage or inclusion on the member benefit is not guaranteed and is subject to change.
