Healthy Michigan Plan
Regional forums

What you need to know about work requirements.

The Michigan Department of Health and Human Services will host regional forums to increase awareness about new work requirements for Healthy Michigan Plan members.

What are work requirements?
Starting Jan. 1, 2020, Michigan law will require some HMP members to report at least 80 hours of work or other qualifying activities each month to keep their health care coverage. Work requirements apply to HMP beneficiaries between 19 and 62 who aren’t excused.
